

# VIOLENT RACIST IN YOUR NEIGHBORHOOD

## CAMERON HEUGLY 1811 NE BETHEL ST.

**CAMERON HEUGLY** is a member of the Proud Boys, an avowed “Western Chauvinist” group, a barely veiled code word for white nationalist ideology. He has been seen at rallies in the northwest along-side open fascists, neo-nazis, and white supremacists. Recently, while harassing clients at planned parenthood, Heugly attacked pro-choice and anti-fascist demonstrators physically and with the use of bear-mace. His presence puts many of us in danger purely based on who we are and, as his personal history shows, represents an immediate material threat to any and all community organizing.

**THE PROUD BOYS** have become a prominent, violent force at white supremacist and alt-right rallies. At these far-right rallies, the members of the Proud Boys frequently attack anti-fascist activists and other community members, creating space for more overtly fascist groups to organize, acting as de facto body guards for groups like Patriot Prayer, Identity Europa, Cascade Legion, Daily Stormer Book Clubs, Patriot Front, and other white nationalist and fascist groups and individuals. Jason Kessler, organizer of the “Unite the Right” rally where Heather Heyer was killed, is a former proud boy.

**WHEN NOT ATTACKING AND HARASSING PEOPLE OF COLOR, WOMEN, AND ANTI-FASCIST ORGANIZERS, THESE WHITE SUPREMACISTS HANG OUT AT BARS IN OUR TOWN, GO TO WORK HERE, AND GO HOME TO SLEEP AT NIGHT. SAY NO TO WHITE SUPREMACY IN OUR COMMUNITY!**
